Jen,

I'm available the afternoon of December 4th. It wouldn't be a problem if I skipped the weekly Lower 8-Mile Remedial Design call from 3:30-4:30 that day.

Are you four available the afternoon of Dec 4th? Looking to schedule the more informal CSTAG folks discussion. This would be a call/webinar with Ed and James providing the overview of the CPG's proposal. I would with Aaron on the presentation of the nature and extent overview.
